

## A Christian Life Is: *A Forgiveness-filled Life*

1. What is forgiveness?
2. How is the forgiveness God extends to us different from the forgiveness we extend to others?
3. Why do we need to receive forgiveness from God? (Back up your answer with scripture.)
4. What is the result of God's forgiveness he extends to us?
5. *When* does God forgive us?
6. Is God's forgiveness contingent on our forgiving others?
7. Will God forgive us of *all* our sins? (Are there any sins he *won't* forgive us of?)
