

A Christian Life Is: *A Love-filled Life*

1. How do we know (and how do we show) our love for God is complete?
2. Remember our discussion from last week about “walking in the light”? What is a “test” for being in the light?
3. Why do we love God? How do we learn to love?
4. Why is love greater than faith or hope? (1 Corinthians 13:13)
5. It has been said that “Love for others, if unchecked by the truth, can cause us to be wishy-washy and even tolerant toward sin.” Do you agree with this, or disagree?
6. What does John mean in 1 John 4:12: “...his love is made complete in us.”?
7. If we have difficulty loving others, what might be the root of the problem? (1 John 4:19)
