

A Christian Life Is: *A Worship-filled Life*

1. What happens to spiritual growth when worship is neglected? Why?
2. What do the two main words translated “worship” inform us on the nature of worship?
3. If we understand the two main words *latreuo* and *proskuneo*, how does that help us understand what New Testament writers meant by “worship”?
4. What is the logical consequence to the teaching that “all of life is worship”?
5. What does it mean to “come to worship”? Does it involve a certain time and a distinct place?
